# Paying Tribute and Honorary Final Rides of Remembrance

A father's tearful comment to his family and friends on a cold and rainy November day.  
"For those who ride, there could not be a more appropriate way to honor the ending of one's life." ...Paul M. Pottinger Sr.

The Tombstone Hearse Co. provides a modern, tasteful alternative to conventional funeral transportation. A unique and personalized way to send a loved one off for their final journey.

Whether the family member or friend was a veteran, a motorcyclist or a grandmother, our professional services are second to none on the impact and dignity they provide.

Nothing is more impressive than seeing a Tombstone Hearse Co. coach, in procession with fifty, one hundred, or even more thundering motorcycles paying a final tribute.

Our hearses can easily and safely accommodate caskets of all sizes and cremation urns as well.
